**NJBIZ Honors New Jersey's Best 50 Women in Business**

**PRINCETON, N.J., February 15, 2013** – Alison Cornell, Corporate Vice President and Chief Financial Officer for Covance Inc., a leading provider of drug development services, has been named one of New Jersey's 2013 Best 50 Women in Business. The award program, produced by NJBIZ, New Jersey's premiere business news publication, is sponsored by Wells Fargo, WithumSmith+Brown, PC, Comcast Business Class, and Wolff & Samson PC.

The Best 50 Women in Business awards program honors New Jersey's most dynamic women in business who have been making headlines in their field. To qualify, a nominee had to meet selection criteria that included living or working in New Jersey and holding significant authority for decision making in her company.

An independent panel of judges selected the top 50 winners based on their dedication to business growth, professional and personal accomplishments, community involvement, and advocacy for women.

“We are truly fortunate to have the opportunity to recognize this outstanding group of women,” said Thomas Curtin, publisher of NJBIZ. “As business and community leaders, they are constantly redefining success within and outside the business arena. On behalf of NJBIZ, we would like to thank and congratulate these fifty outstanding women for their dedication to New Jersey's future.”

NJBIZ and the program sponsors will honor this year's winners during an awards ceremony on Thursday, March 21, 2013, at The Palace at Somerset Park in Somerset, N.J. The honorees will also be highlighted in a special supplement to NJBIZ on March 25, 2013.

For more information about the NJBIZ Best 50 Women in Business awards program or to reserve seats to the event, please visit [www.njbiz.com/events](http://www.njbiz.com/events) or contact Melissa Sullenberger at [melissas@njbiz.com](mailto:melissas@njbiz.com) or (732) 246-5737.

Covance, with headquarters in Princeton, New Jersey, is one of the world's largest and most comprehensive drug development services companies with annual revenues of approximately \$2.2 billion, global operations in more than 30 countries, and more than 11,750 employees worldwide.
