

Commodities 101 – The Fundamentals

fwa.org/spotlight/commodities-101-the-fundamentals/

An FWA Members-Only Session

Presented by Wanda J. Bell, FWA Board Member and Commodities Consultant

Another special Members-Only course “Commodities 101 – the Fundamentals” designed for FWA Members, was led by **Wanda J. Bell**, Commodities Consultant and FWA Board Member. The at-capacity event was graciously hosted by President’s Circle firm, TIAA-CREF. In just under three hours, the group received high-level overviews of financial and physical commodities, participated in an engaging trading exercise and discussed current events relevant to the space.

Wanda J. Bell

The commodities course included:

- Definition of capital markets and commodities
- Physical and financial commodities
- Market forces
- Trading and logistics
- Topical discussion on current events in the industry

Lively discussion during the program[/caption]
