FWA – Murry Bergtraum and Baruch Mentoring Program Holiday Event

December 8th was a great day for the Mentoring Committee as 68 Baruch College and Murry Bergtraum High School mentors and mentees attended the annual holiday event. Despite frigid temperatures in NYC, the day warmed up with a brunch at Ten Degrees Bar, where everyone freely mixed and mingled with each other and dined on delicious appetizers, a taco buffet bar and scrumptious desserts.

Then, it was a short and brisk walk to the Orpheum Theater for an invigorating production of STOMP. The creative performers used a variety of the body and everyday ordinary objects as percussion instruments in their performance. The vibrant and uplifting cadences had the mentors and mentees clapping energetically in their seats. It was a wonderful way to celebrate the holiday season.
