Katrin Dambrot, president of the FWA, rang the closing bell at the NASDAQ MarketSite on Thursday, February 4, 2016, to celebrate the FWA's six decades of female empowerment in financial services.

Katrin and members of the FWA smiled for pictures on the exchange floor and outside of the NASDAQ Times Square location, after sounding the bell to mark an end of the trading day. We are honored to have had the opportunity to take part in the ceremony and extend our gratitude to NASDAQ.
