

Forbes In Good Company: The Future of Women in Data-Driven Leadership

fwa.org/spotlight/forbes-in-good-company-the-future-of-women-in-data-driven-leadership/

The Financial Women’s Association was featured in the December “2016 Investment Guide” of Forbes Magazine – “[In Good Company: The Future of Women in Data-Driven Leadership.](#)” Thought leaders from the FWA discussed how women are advancing in a technology-empowered marketplace, what the FWA offers to fill and fuel the pipeline, and how organization such as Deloitte Consulting, LLP, Merrill Lynch, Morgan Stanley, and SAP are maximizing women’s talents for greater growth and productivity. The article will be distributed by Forbes at the World Economic Forum at Davos in January 2016.
