“The British Way of Dressing from Desk to Dinner”

Aspiring to dress a bit more like British royalty?

This FWA WestCon event did not disappoint. The Hobbs experts presented fashions for the Fall. Take a timeless dress and add a long brocade coat for the evening. Hobbs says patterns are in this Fall along with a new line of hats.

Did you know that Hobb’s has a line of Italian shoes made only for Hobb’s? Excellent styles at a great value. Hobb’s provided a 25% discount that many took advantage of and a raffle with a generous \$100 towards the evenings purchase went to one lucky attendee. See her purchase below.

FWA WestCon would like Grace Verdon for reaching out to us and Molly Jankun for organizing the event.
