

# Announcing: Launch of FWA Resume Book Program

fwa.org/spotlight/announcing-launch-of-fwa-resume-book-program/

November 8, 2017

*For Members Only*

As President of the FWA, I'm delighted to let you know that we have created and launched several new programs to provide additional members-only benefits to you, at no cost – including monthly Professional Development Workshops and Member2Member Mentoring.

Based on your insightful feedback, I am proud to announce that we are launching another new member benefit, and we invite you to participate.

For our FWA Members who are actively seeking new employment, we invite you to “opt in” and provide your resume for our FWA Member Resume Book.

In January 2018, the FWA will offer to share the Resume Book with recruiting partners at our participating President Circle corporate sponsor firms. They will be encouraged to review the resumes against their available opportunities and contact you directly, if they see a potential fit.

We are hoping that this will lead to a “win-win,” whereby the FWA is able to connect its interested Members to its participating President Circle firms who are seeking world-class talent.

Resumes will be accepted between now and **December 31st, 2017**.

To participate and submit your resume, please [CLICK HERE](#).

Many thanks for your ongoing involvement,

Stacy Musi  
FWA President 2017-18
