Dear FWA Members, Supporters and Friends,

**November 28 is #GivingTuesday**, a global day of giving that follows Thanksgiving, Black Friday and Cyber Monday. In the spirit of being grateful, it is a day to give back to the causes that are meaningful to you – like advancing women!

For more than 60 years, the FWA has been at the forefront. Our financial literacy, high school and college scholarship and mentoring programs have reached more than 6,000 students and young professionals on our journey to help guide the next generation of women leaders.

Our professional development workshops and focused events continue to help women in business and finance reach the next plateau.

**The FWA is launching a Giving Tuesday campaign** – and we need you to help make it successful. Our goal is to have as many Members and Friends as possible participate – so we are counting on you to join us and donate. No amount is too much and no amount is too small – please help us reach our goal and join us.

**Mark your calendar to give on November 28th or**
