

# FWA Holiday Benefit – A Huge Success!

Thank you for making our 2017 holiday benefit a huge success last Wednesday! With your help, we exceeded our fundraising goal for FWA programs.

In true FWA fashion, there was great food, great wine, and great conversation. Whether you participated in our raffle for your chance to win the highly desired Coach Carryall handbag or wanted your view of the NYC Skyline and Empire State Building at night, the penthouse of the Kitano Hotel provided a fun-filled, luxurious, Japanese

experience, complete with women dressed in authentic Japanese attire. We hope you enjoyed the delicious sushi appetizers, took great pictures, networked and had an amazing time.

We sincerely thank everyone who came out to celebrate the holiday season with us. Many thanks to Sumitomo Mitsui Banking Corporation for sponsoring a Sake table and providing two volunteers to help support the evening festivities. We also were very fortunate to have raffle prizes donated by Coach, Buccellati, Dara Lamb, Lafayette 148, Jim Arnoff, Raleigh Mayer, Gerri Bostick and The Kitano. Thank you to our holiday benefit chair, Karen Macleod, FWA President, Stacy Musi, the Strategic Marketing Committee, Baruch College Mentee, Ana Llana and the FWA office team for your dedication and amazing efforts in making 2017 another great year.
