

FWA-Long Island 8th Annual Golf Outing

fwa.org/spotlight/fwa-long-island-8th-annual-golf-outing/

It was a beautiful day to be at Cold Spring Country Club for FWA-Long Island 8th Annual Golf Outing. Whether you were on the golf course taking in a round of 9, or learning the game at the clinic, either way there were tons of balls hit! There was something for all, golf, great networking, cocktail party with delicious food, and great prizes. A special raffle held raised an amazing \$600 for the FWA Educational Programs. Thanks to all! There were several men golfers at the event to support the women, thank you!

We thank our event sponsors EY and EisnerAmper, and our event Co-Chairs Jill Schneider of EisnerAmper and Christine Miller of Janover LLC, for making the event such a success, along with their fellow Committee members.

Remember **GOLF** does not mean Gentlemen Only Ladies Forbidden; it means Game Of Lessons First – teaching you the lessons you learn first then take to the course!
