September 10, 2018

For Members Only

One of the new member benefits that we launched last year was the first-ever FWA Member Resume Book. It was so successful that we are going to produce it twice this coming year: Fall 2018 and Spring 2019.

If you are actively seeking new employment, we invite you to “opt in” and provide your resume for the **FWA Member Resume Book**.

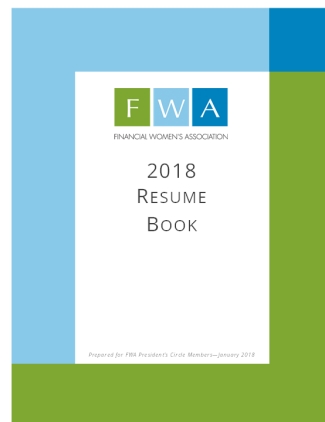

We will share the Resume Book with recruiting partners at our participating President Circle (PC) corporate sponsors. They will be encouraged to review the resumes against their available opportunities and contact you directly, if they see a potential fit.

We hope this will be a “win-win,” connecting interested FWA Members with leading President Circle Firms that are seeking world-class talent.

Please note that this benefit is not intended for current employees of FWA President Circle Firms and while we trust that our PC firm recruiting partners will exercise the utmost discretion, we cannot guarantee confidentiality.

To participate in the Fall 2018 Resume Book, click the following button:

Submissions are being accepted now, until the **deadline of October 31st**. The Fall 2018 Resume Book will be sent to our President Circle Firms in November.
