Sexual harassment is everyone's issue. The Financial Women's Association of New York needs your help to understand the scope of the problem in the financial industry and create potential solutions. The FWA "Outing Sexual Harassment 2.0" survey should take no more than **five minutes** to complete.

The Survey questionnaire is linked to this email. This survey is completely anonymous. Your answers will provide valuable information and make a big difference.

Survey responses should be submitted no later than Monday, October 15th.

The FWA will then host "Outing Sexual Harassment 2.0", an interactive, off-the-record panel discussion with experts on workplace dynamics and negotiation, on Monday evening, October 29, 2018, to present the results of the Survey.

Details will be posted on the FWA shortly, but please save the date now!
