

Mentees Enjoy an Afternoon of Skin Care

fwa.org/spotlight/mentees-enjoy-an-afternoon-of-skin-care/

On Thursday, February 7th, Clinique's incredible field team treated FWA mentees to an afternoon of skin care and makeup guidance. Jennifer Duffy, Theone Friend, Anthony Kuleyshie, and Diane Acevedo taught our mentors and mentees techniques on how to heal and nourish their skin, and create polished looks for interviews and work. After an amazing session, mentors and mentees were given Clinique samples and their skincare and makeup queries were answered.

This program would not have been possible without the support of FWA mentee alumna Elizabeth Green '08, manager of global supply chain management at Clinique. Elizabeth, a mentee in both the High School and College FWA mentoring programs, attributes much of her success to her participation in the FWA.

We look forward to seeing what our current mentees achieve in their professional futures, and hope they choose to support the future of the FWA like Elizabeth.
