What a fabulous event! Our 2019 annual Awards Gala was held on Monday, June 17, 2019 at the Microsoft building near Times Square. As in previous years, it was a wonderful celebration of achievements of leaders in finance. We had approximately 200 people in attendance and everyone looked incredible. View photos from the 2019 Awards Ceremony here and if you believe in our mission, consider supporting the FWA by making a donation today.
